Working as an administrative arm of the California Supreme Court, the State Bar oversees all activities required for admitting attorneys to the practice of law in the nation `s most populous state. California offers more pathways to licensure than any other state.

~~Admissions - State Bar of California~~

The California Bar Exam is notoriously difficult and has one of the lowest passage rates of any bar exam in the country. As of 2017, the exam takes two full days, including a performance test designed to evaluate applicants' ability to handle a number of legal challenges involving a client, according to the State Bar of California , which created and administers the exam.

~~Which States Have the Most Difficult Bar Exams?~~

The Multistate Bar Examination (MBE) portion of the exam accounts for 50% of the total score and is a nationally administered, 200-question multiple choice exam. As of February 2007, only 190 questions are scored, and the other 10 are unscored experimental questions used to gauge their appropriateness for future exams.

~~California Bar Exam Preparation - 2011~~

This book has been replaced by the updated 2012 California Bar Exam Total Preparation Book

Strategies & Tactics for the MBE, 6E is full of up-to-date advice on how to analyze Multistate Bar Exam (MBE) questions, including details on how to handle each MBE subject, specific, step-by-step strategies for analyzing different question types, tips about how subtle differences in wording can completely change the meaning of an answer, and strategies for "rewording" questions in your mind to make them easier to analyze. Updated by Steven Emanuel, Strategies & Tactics for the MBE, 6E contains a full-length, 200-question practice MBE exam, as well as more than 325 additional questions broken down by subject a total of over 500 NCBE-released questions. The new edition also includes 70 author-generated Civil Procedure questions. Each subject begins with detailed advice on how to handle MBE questions on that subject and how to focus your studies on the most common and trickiest MBE topics. Every question has a fully explained answer that analyzes, in detail, every answer option. Features: Updated to include a comprehensive section on Civil Procedure, which was recently added to the MBE exam. This new section features approximately 70 author-generated questions. For the traditional MBE topics (Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Real Property and Future Interests, and Torts), every one of the more than 500 questions in this book represents an actual question asked on a past MBE. These questions have been reviewed for accuracy and updated.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Book of outlines and boilerplates to help students pass the California Bar Examination

Provides templates and detailed instructions for writing the formats on the Multistate Performance Test (MPT) part of the bar exam. Contains twelve (12) actual MPT tasks, as released by the National Conference of Bar Examiners (NCBE) and used here with permission, in a variety of formats and a range of difficulty. Full sample answers for the MPT tasks and notes on analyzing all 12 tasks. Systems and checklists for managing time. Special tips for California bar candidates and for foreign-trained lawyers.

The Ultimate Guide to the UBE (Uniform Bar Exam) is your " one stop shop " for all things UBE (Uniform Bar Exam). Now administered in over 35 jurisdictions, bar exam takers don `t want to just pass - they want to excel and obtain the highest score possible so they have their choice of UBE jurisdictions. This Guide covers it all - from the basics of what is tested on the UBE, to the best ways to personalize your bar exam study, to the most important of all - how to maximize your score on each of the three sections of the UBE. With over 40 years of combined experience in preparing students to pass the bar exam, Tania Shah, Melissa Hale, and Antonia (Toni) Miceli bring their expertise in the bar exam field directly to you and use actual bar exam answers from real bar examinees to show you exactly what you need to do to pick up points on the UBE! Key features: Whether you are in a new UBE jurisdiction, or one of the original UBE jurisdictions, this guide provides you with a detailed approach to the UBE, combining the authors ` expertise in bar exam preparation with access to actual bar exam answers from real bar examinees that were written during past bar exams and graded by actual bar exam graders. The Ultimate Guide to the UBE shows readers what an actual bar exam answer looks like, rather than just telling them what the " perfect, " and mostly impossible, essay answer looks like. The material in this book appeals to readers with its straightforward approach, providing outlines, charts, easily digestible content, and good humor to engage readers with what could seem to be overwhelming and dry content. The Ultimate Guide to the UBE is organized and broken down into four sections: First, the Guide introduces the reader to the UBE, including what is tested on the UBE, how it is tested, and how it is scored, before guiding readers into their bar exam study, with tips on memory, time management, and scheduling. Next, the Guide introduces the reader to the Multistate Essay Exam (MEE), which is the essay component of the UBE. After breaking down how to prepare for the MEE, and how to structure an MEE answer, the Guide uses actual MEE questions and actual bar exam answers to take the reader, step by step, through maximizing your MEE score. Readers are given the chance to " be the grader " and learn how to self-assess their own answers to improve their MEE score. The Guide repeats this same process with the Multistate Performance Test (MPT), which is the closed-universe skills portion of the UBE. The Guide next tackles the Multistate Bar Exam (MBE), which is the multiple choice section of the UBE. The Guide focuses on each of the seven MBE subjects in independent chapters, where readers are guided through how to best attack MBE questions in that subject area, which include very detailed answer explanations and strategy pointers. Finally, the Guide provides readers with all of the law needed to answer the actual UBE questions presented in the Guide, including quick reference handouts and charts.

In Lawyers in the Dock, Richard L. Abel examines accounts of disciplined New York lawyers, whose vivid, compelling dramas breathe life into the ethical rules governing the legal profession. Abel identifies ways to devise better strategies for restoring trust in lawyers, a prerequisite for an effectively functioning justice system. This book is essential for lawyers, prospective and current law students, and anyone who has sought or might seek legal representation.

The Second Edition of Essay Exam Writing for the California Bar Exam contains everything needed to pass the essay portion of the California bar exam. The book combines a comprehensive, yet efficiently concise review of volumes of substantive law with the authors ` proven-effective strategic plan for writing passing bar essays. Rule outlines are supplemented with issues checklists to aid issue spotting and memorization attack sheets, to make memorization manageable, while practice questions productively cover favorite testing areas so bar study is targeted and effective. New to the Second Edition Update: Recent and updated rule developments in all subjects Expanded coverage of topics emphasized on recent bar exams Updated issues tested matrices, rule memorization attack sheets, and topic specific approaches to reflect current testing trends Updated practice essay questions and answer grids in all subjects including crossover questions Professors and students will benefit from: Concise easy to memorize rule statements Fact triggers and exam tips that aid the transition to bar exam writing style Easy to follow essay approaches for key topics Practice essay questions with corresponding answer grids identifying issues and analysis required for a passing score Realistic sample answers that could be written under timed conditions Coverage of all heavily tested topics in each subject and crossover questions Issues tested matrices identifying the subtopics tested in every essay given in 30+ years

Students deem Civil Procedure to be one of the hardest classes in law school for good reason. Doctrines from personal jurisdiction to res judicata are difficult to apply to exam fact patterns, and the policies underlying the federal rules can be difficult to grasp. The course is a complex hybrid of common law, statutes, rules, and some constitutional doctrine. For the first time, Oxford University Press equips students with an accessible guide to acing this most challenging of law school tests. In Civil Procedure: Model Problems and Outstanding Answers, Scott Dodson helps students demonstrate their knowledge of civil procedure in the structured and sophisticated manner that professors expect on law school exams. This book includes clear introductions to the major topics in civil procedure, provides hypotheticals that students can expect to see on an exam, and offers model answers to those hypotheticals. Professor Dodson then gives students the opportunity to evaluate their own work with a comprehensive self-analysis section. This book prepares students by challenging them to use the law they learn in class while also explaining the best way to express an answer on law school exams. This second edition has been updated to reflect recent changes to the federal rules of civil procedure. It incorporates new paradigm cases, including Wal-Mart, Goodyear, and McIntyre. The second edition also reflects the new rule and statutory amendments, including the Federal Courts

Jurisdictions and Venue Clarification Act of 2011.
