Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In Like Dreamers, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve

Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, Like Dreamers is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Winner, Jewish Book Council's Everett Family foundation award, Jewish Book of the Year Winner, American Library Association's Sophie Brody Medal for Best Jewish Book of the Year Editors' Choice, New York Times Book Review In restoring Jewish sovereignty to the Holy City during 1967's Six-Day War, the paratroopers of Reserve Brigade 55 fulfilled a dream of two millennia, forever changing the history of Israel and of the Middle East. And, as veteran journalist Yossi Klein Halevi compellingly reveals in Like Dreamers, they served pivotal roles in shaping Israel's destiny long after their resounding military success. As he follows the lives of this Israeli band of brothers, and charts the ideological divides among them, he weaves an epic chronicle of modern Israel that humanizes the country's political and cultural dilemmas, and offers an unprecedented glimpse into its soul.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. Dreamers is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, Soñadores, is also available. Winner of the Pura Belpré Illustrator Award! asleep—and doesn't wake up. She sleeps through the morning, into the evening. Her roommate, Mei, cannot rouse her. Neither can the paramedics, nor the perplexed doctors at the hospital. When a second girl falls asleep, and then a third, Mei finds herself thrust together with an eccentric classmate as panic takes hold of the college and spreads to the town. A young couple tries to protect their newborn baby as the once-quiet streets descend into chaos. Two sisters turn to each other for comfort as their survivalist father prepares for disaster. Those affected by the illness, doctors discover, are displaying unusual levels of brain activity, higher than has ever been recorded before. They are dreaming heightened dreams—but of what? Written in luminous prose, *The Dreamers* is a breathtaking and beautiful novel, startling and provocative, about the possibilities contained within a human life—if only we are awakened to them. Praise for *The Dreamers* “Walker’s roving fictive eye by turns probes characters’ innermost feelings and zooms out to coolly parse topics like reality versus delusion. . . . [It has] the perfect ambiguous frame for a tense and layered plot.”—*O: The Oprah Magazine* “[Walker’s] gripping, provocative novel should come with a warning: may cause insomnia.”—*People (Book of the Week)* “Powerful and moving . . . written with symphonic sweep.”—*The New York Times Book Review* “2019’s first must-read novel . . . Alternately terrifying and moving . . . *The Dreamers* is overflowing with humanity.”—*Jezebel* “This is an exquisite work of intimacy. Walker’s sentences are smooth, emotionally arresting—of a true, ethereal beauty. . . . This book achieves [a] dazzling, aching humanity.”—*Entertainment Weekly*

INSTANT NEW YORK TIMES BESTSELLER The star of Marvel’s first Asian superhero film, *Shang-Chi and the Legend of the Ten Rings*, tells his own origin story of being a Chinese immigrant, his battles with cultural stereotypes and his own identity, becoming a TV star, and landing the role of a lifetime. In this honest, inspiring and relatable memoir, newly-minted superhero Simu Liu chronicles his family's journey from China to the bright lights of Hollywood with razor-sharp wit and humor. Simu's parents left him in the care of his grandparents, then brought him to Canada when he was four. Life as a Canuck, however, is not all that it was cracked up to be; Simu's new guardians lack the gentle touch of his grandparents, resulting in harsh words and hurt feelings. His parents, on the other hand, find their new son emotionally distant and difficult to relate to - although they are related by blood, they are separated by culture, language, and values. As Simu grows up, he plays the part of the pious child flawlessly - he gets straight A's, crushes national math competitions and makes his parents proud. But as time passes, he grows increasingly disillusioned with the path that has been laid out for him. Less than a year out of college, at the tender age of 22, his life hits rock bottom when he is laid off from his first job as an accountant. Left to his own devices, and with nothing left to lose, Simu embarks on a journey that will take him far outside of his comfort zone into the world of show business. Through a swath of rejection and comical mishaps, Simu's determination to carve out a path for himself leads him to not only succeed as an actor, but also to open the door to reconciling with his parents. *We Were Dreamers* is more than a celebrity memoir - it's a story about growing up between cultures, finding your family, and becoming the master of your own extraordinary circumstance.

What would you do if you knew you could not fail? To *All The Dreamers*. will reveal your calling and purpose. The true story of Chrysandra Brunson’s life and starting the renowned nonprofit, *The Calling*, will inspire you! This book will awaken the dream God has put in your heart. You will be empowered to fearlessly live it out. Many of us know what our calling is and need encouragement to go after it. To *All The Dreamers*, will ensure you make the most of your life, pursue your dreams and leave an everlasting legacy. Jesus and all His Angels are cheering you on and so is Chrysandra! The ministry, *The Calling*, is here to support you as you read this book and live out your God given destiny. As a lifelong “dream chaser” I couldn’t stand more firmly behind someone like Chrysandra, organizations like *The Calling* and books like *To All the Dreamers*. **DREAM BIG!** — Chad Gunderson, Producer of *The Chosen* “Continue the great work!” — Tim Tebow Foundation “It encourages me to see that you are hoping to create an “entrepreneurial spark” in the world. The

recipe for success is aparent, and I hope your organization will continue to promote entrepreneurialism and economic freedom, not only in Haiti, but throughout the scope of your influence worldwide. I wish you Godspeed in your endeavors.” — U.S. Congressman Doug Lamborn “You have my support! Especially in all the endeavors ahead for The Calling!” — Ken Ham, Founder and CEO of Ark Encounter & Creation Museum “I was elated to hear of your great success from all reports it was a wonderful, Christ-honoring time. I am truly grateful for your leadership in this outstanding initiative!” — Bill Armstrong, US Senator To all the Dreamers is one of the most relevant books I’ve read on the subject of God’s calling...I loved it. I finished reading it in less than 24 hours. Thank you Chrysandra for this masterpiece. My prayer is that others will be inspired to follow their God-given dreams with the same kind of fearlessness and determination you have. — Peter Warren YWAM ,Western USA and Canada

A compulsively readable debut novel about marriage, immigration, class, race, and the trapdoors in the American Dream—the unforgettable story of a young Cameroonian couple making a new life in New York just as the Great Recession upends the economy New York Times Bestseller • Winner of the PEN/Faulkner Award • Longlisted for the PEN/Open Book Award • An ALA Notable Book NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The New York Times Book Review • San Francisco Chronicle • The Guardian • St. Louis Post-Dispatch • Chicago Public Library • BookPage • Refinery29 • Kirkus Reviews Jende Jonga, a Cameroonian immigrant living in Harlem, has come to the United States to provide a better life for himself, his wife, Neni, and their six-year-old son. In the fall of 2007, Jende can hardly believe his luck when he lands a job as a chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark’s wife, Cindy, even offers Neni temporary work at the Edwardses’ summer home in the Hamptons. With these opportunities, Jende and Neni can at last gain a foothold in America and imagine a brighter future. However, the world of great power and privilege conceals troubling secrets, and soon Jende and Neni notice cracks in their employers’ façades. When the financial world is rocked by the collapse of Lehman Brothers, the Jongas are desperate to keep Jende’s job—even as their marriage threatens to fall apart. As all four lives are dramatically upended, Jende and Neni are forced to make an impossible choice. Praise for Behold the Dreamers “A debut novel by a young woman from Cameroon that illuminates the immigrant experience in America with the tenderhearted wisdom so lacking in our political discourse . . . Mbue is a bright and captivating storyteller.”—The Washington Post “A capacious, big-hearted novel.”—The New York Times Book Review “Behold the Dreamers’ heart . . . belongs to the struggles and small triumphs of the Jongas, which Mbue traces in clean, quick-moving paragraphs.”—Entertainment Weekly “Mbue’s writing is warm and captivating.”—People (book of the week) “[Mbue’s] book isn’t the first work of fiction to grapple with the global financial crisis of 2007–2008, but it’s surely one of the best. . . . It’s a novel that depicts a country both blessed and doomed, on top of the world, but always at risk of losing its balance. It is, in other words, quintessentially American.”—NPR “This story is one that needs to be told.”—Bust “Behold the Dreamers challenges us all to consider what it takes to make us genuinely content, and how long is too long to live with our dreams deferred.”—O: The Oprah Magazine “[A] beautiful, empathetic novel.”—The Boston Globe “A witty, compassionate, swiftly paced novel that takes on race, immigration, family and the dangers of capitalist excess.”—St. Louis Post-Dispatch “Mbue [is] a deft, often lyrical observer. . . . [Her] meticulous storytelling announces a writer in command of her gifts.”—Minneapolis Star Tribune

A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel “Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering

Read PDF Like Dreamers The Story Of The Israeli Paratroopers Who Reunited Jerusalem And Divided A Nation 2 Cd

influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today's headlines.

From the New York Times bestselling author of *The Wonderful Things You Will Be* comes this companion to *Dream Animals* -- a celebration of the imagination of children dreaming both day and night! Emily Winfield Martin shows readers that letting their imaginations run free will lead them into fantastical day dreams. Whether cloud-gazing or wandering through a museum, reading a book or playing in a tide-pool, the children in this picture book find themselves in places inhabited by magical creatures such as dragons, unicorns, griffins, and jackalopes. A whimsical rhyme accompanies the dream-worthy illustrations.

Snigdha Poonam traveled through towns in northern India to investigate millennials, who are nothing like their Western counterparts. In a country of exceptional ambition, crushing limitations, and toxic masculinity, she found clickbaiters, scammers, and hucksters, but also strivers and student leaders hungry for change—a generation of dreamers.
